

INTRODUCING

Mrs Carla Veldman

Our Deputy Principal

Kia Ora Koutou,

My name is Carla Veldman and I am the proud Deputy Principal of Whenuapai School. I love my job and feel very privileged to work with such a collegial and talented staff, dedicated parents and beautiful children.

I have had the pleasure of teaching many year levels and across a variety of schools in Auckland. I have also taught overseas in North Carolina, USA for a few years. I am particularly passionate about Literacy and strengthening home-school partnerships.

My husband and I live in rural Waimauku in a hundred-year-old villa. We have two gorgeous children. Jemma is 13 years old and a budding artist and writer. Liam is 11 years old and passionate about all sports, in particular rugby, touch rugby and basketball. We have two dogs, Marley and Pip, six sheep, eight chickens and a paddock full of 104 feijoa trees. Our weekends are spent with family, friends, at sports games, off road running, paddle boarding, surfing and taking on activities that involve getting outdoors as much as possible.

I am looking forward to getting to know you and your family further in 2018.

Kind regards

Carla Veldman
