

INTRODUCING

Miss Carli Michelsen

Kia Ora and welcome to Room 16

My name is Carli and I will be your child's teacher for 2018. I have had experience teaching Years 1 through to 5. I have been at Whenuapai for five years now. I am excited for the coming year with a slight change having a Year 1 class and also being the Year 0-1 Team Leader. An important part of my classroom programme is to ensure there is a safe, enjoyable and collaborative learning environment for your children.

One of my interests outside of school is hockey. I have played hockey from a young age and for many representative teams. I really enjoy this and I find myself busy with playing still. I am originally from Whangarei, where my family still live. So when I am not playing hockey I try to get up home to spend time with them.

If you have any questions feel free to contact me at carlim@whenuapai.school.nz or pop into Room 16 and introduce yourself.

I look forward to meeting you and your children in the coming weeks.

Regards,

Carli Michelsen
