

INTRODUCING

Miss Hayley Moore

Welcome to Room 15.

My name is Hayley Moore and I am delighted to be teaching Year 2 & 3 in 2018. I am a fourth year teacher. I have a bachelor degree in English with Psychology, a postgraduate certificate in Primary and Early Years education, and a postgraduate certificate in Special Education. I had the pleasure of teaching Year 3 & 4 last year, and I am so pleased to be continuing my teaching career at Whenuapai School this year.

I am originally from the South West of England, but plan to live in New Zealand long term. I come from a large family in England with three brothers and one sister. I have close family on my Dad's side that live in Australia, so I enjoy taking trips over to visit them in the holidays.

I enjoy traveling and spending time outdoors. I spent one year backpacking across Australia which allowed me to take part in adventure sports such as surfing, kayaking and sky diving. I taught at an international school in Rome for two years which enabled me to travel around Italy, visiting places such as Venice, Florence and Sardinia. I enjoy running in the evenings and at weekends. I ran a half marathon when living in Rome and plan to train for a full marathon in the near future.

I strive to provide a safe, collaborative working environment where children can be creative and explore, as well as develop their independence and a love of learning. As a class, we encourage each other to take part and continuously support each other's learning.

I very much welcome and appreciate any parent or carer support in the classroom.

You can contact me personally at hayleym@whenuapai.school.nz

I look forward to all the fun and learning we will achieve together.

Hayley Moore
