

# INTRODUCING

## Mrs Jenny Cornish

Welcome to Room 17.

My name is Jenny Cornish and I am very excited to join Whenuapai School in 2018. I will be teaching a Year 1 class in Room 17. For the past couple of years I have been teaching new entrants at Sunnynook Primary on the North Shore.

I am an Aucklander (south by birth, north by marriage). My husband and I have three children – a girl and two boys. My weekends are generally busy with ferrying our children to basketball, flipperball, guides, dancesport, softball, music lesson etc. But in my own time I love to read and walk. I'm looking forward to camping in the holidays at one of Auckland's beautiful regional parks.

I believe in lots of hands on learning. Children instinctively know how to learn through play and I use this strength to engage them in maths, reading and writing. I like to provide a safe and supportive environment where all children are given the opportunity to succeed and reach their potential.

I welcome your help in the classroom. Please let me know if you have a special skill to share with the children, or if you have time to be an extra pair of hands to help me.

I have an open door policy so please do not hesitate to visit the classroom or contact me. I am looking forward to new experiences and opportunities at Whenuapai School.

You can contact me personally at [jennyc@whenuapai.school.nz](mailto:jennyc@whenuapai.school.nz)

I look forward to all the fun and learning we will achieve together.
