

INTRODUCING

Mr Liam Henry

Welcome to Room 12.

My name is Liam Henry and I am very pleased and excited to be joining the teaching staff of Whenuapai School in 2018.

I am a beginning teacher and this is the first year of what I hope will be an amazing career. I completed my Bachelor of Education in 2017.

I grew up in Warkworth and attended Warkworth Primary and Mahurangi College. I have lived in Whangarei for the past 6 years.

Whilst studying full-time I managed 3 Avocado Orchards.

I am a sport fanatic! I have travelled to many countries to watch international sports teams play.

I have an awesome family and many wonderful friends here in NZ and around the globe. I enjoy and am accepting of any new experiences and challenges that life offers me.

I intend to make learning in my class, fun and interesting.

In Room 12 I will provide a safe and supportive environment where all children are given the opportunity to succeed and reach their potential.

Please do not hesitate to contact me with any of your concerns or appreciations. You can contact me personally at liamh@whenuapai.school.nz

I look forward to getting to know the children and working towards a successful year of learning in Room 12.

Liam Henry
