

# INTRODUCING

## Miss Maureen Mason

My name is Maureen Mason and I am very proud to be the Assistant Principal Year 4-6 and Year 5/6 Team Leader for 2018. My office is located beside Room 8.

My favourite colour is orange and I love a trim mocha with an extra shot of coffee.

My classroom provides a safe environment where students feel confident to take risks. I create a positive learning atmosphere where all students will have a high expectation of themselves and their classmates and will be supportive in achieving excellence. I will encourage students to explore, debate and participate.

I am very excited about the opportunities we have to offer our Year 5/6 students such as Trees For Survival, building relationships with Summerset Village, a variety of sports, First Aid with St Johns and of course drama/dance/art opportunities with our production later in the year. It is going to be a dynamic year, so glad to be sharing it with you.

I have an open door, and welcome all whanau into the classroom. If you have any queries or questions please don't hesitate to contact me personally at [maureenm@whenuapai.school.nz](mailto:maureenm@whenuapai.school.nz)

I am looking forward to meeting you all personally.

Kind regards

Maureen Mason
