

INTRODUCING

Miss Paige Chellew

Welcome to Room 24.

My name is Paige Chellew and I am very excited to join Whenuapai School in 2018. I will be teaching a Year 2-3 class in Room 24. I completed my Bachelor of Education Studies (endorsed in Visual Arts Education) and a Graduate Diploma in Education and Teaching in 2014. I have had my own Year 2 class this year at Geraldine Primary School.

I was born and raised in Oamaru, North Otago, and I moved to Dunedin in 2011 to study at the University of Otago College of Education. When I first graduated I taught in Ashburton for a year, and then spent two years teaching in Geraldine which is 1.5 hours south of Christchurch. My partner's career in the Airforce has brought me up to the big smoke of Auckland.

I am always willing to give things a go and I enjoy going to the beach, skiing, exploring new places and spending time with my family and friends. Going to the gym, playing social netball, biking, and walking help me to stay active. In the future I plan to travel around NZ and the world and visit places I have not yet seen, before settling down and starting a family of my own.

I love making learning fun and engaging for students. In my classroom I strive to establish a safe and supportive learning environment where all students feel valued and are able to achieve to the best of their ability. I believe that mutual respect, high expectations, clear communication, strong relationships, and high interest activities are at the heart of learning. I see each of my students as an individual with their own strengths, needs, and interests.

I believe in involving whanau with learning so please do not hesitate to visit the classroom or contact me. I am looking forward to the new experiences and opportunities at Whenuapai School.

You can contact me personally at paigec@whenuapai.school.nz

I look forward to all the fun and learning we will achieve together.
