

Dear Parents,

We would like to inform you that our school photography company will be coming to your school, on the **12th of March**, for the annual individual and classroom photos.

**Important information individual photo session, PLEASE READ.**

On the day of school photos, we will automatically photograph each student at the school that day in their class photos. We do NOT however, automatically photograph every child individually (or together with their sibling/s). For this to occur, we require, in advance via our online booking system, your parental permission.

The reason for this is that our approach towards the individual school photos is unique. We do not photograph just one image of your child(ren), we will be creating a personal mini photoshoot. Our photographer's photograph roughly 8-10 images per photo session and as this requires more time per child so prior bookings are essential.

Approximately 1-2 weeks after the shoot day the individual photos can be viewed on our website. We then ask parents to choose their favourite image(s) to be delivered in the pack of their choice.

We have many packs on offer; please go to [www.schoolshotz.co.nz/packages/](http://www.schoolshotz.co.nz/packages/) to view our prices. All proofs are password protected and personal login details will be send out once ready.

A deposit of **\$15** per family is required in advance and is to be paid on completion of booking. This deposit can be deducted off any individual/sibling photo pack that you order. If you decide not to order any individual photo this deposit will be non refundable. It is not able to be used to purchase class photos only. A personal coupon code will be supplied together with your personal login details.

The booking form can be found on our website, [www.schoolshotz.co.nz](http://www.schoolshotz.co.nz)

Click on the "**Book and Pay Now**" button under the text "book your individual photo session online".

Return date pre-approval forms: 9th of March

**Please note, without parental consent; no individual photographs will be taken.**

Viewing process class photos only - at the time of photo order process, an email will be sent to school with a unique password to view the class photos online.

**No pre booking forms are needed to be filled in for class photos only.**

Any further questions, please contact us at [alice@schoolshotz.co.nz](mailto:alice@schoolshotz.co.nz)

Kind Regards

Alice van der Hilst
