

INTRODUCING

Mrs Sharron Buer

SENCO co-ordinator

Kia ora, my name is **Sharron Buer** and I am the co-ordinator of special needs and student wellbeing (SENCO) at Whenuapai School. Along with the SENCO role, I am the e-learning co-ordinator.

A bit about me:

I joined the Whenuapai School team in August 2016. Prior to joining the team, I spent eight years as Head of Primary Programmes at Young Enterprise Trust, a charitable trust located in Wellington. My key roles were resource development and provision of Professional Learning Development for teachers in enterprise and financial education. I was a Deputy Principal at Colwill School in West Auckland and at Waiheke Primary School, on beautiful Waiheke Island before moving to Young Enterprise Trust.

I am married to Mark, a Business Manager at Mazda and have two wonderful children Kelly and Matthew who are now adults and amazing business people. I have two lovely grandchildren Arlo and Olivia who keep me busy in my down time.

In my spare time I like to relax with a good book, take a walk along the Auckland waterfront and spend time at the beach.

If you have any questions at all regarding your child's learning needs, please don't hesitate to contact me at sharronb@whenuapai.school.nz
