## \$25,000 donated to the Playground Fund

After a fun year running 19 events, the PTA has made just over \$27,000! Our main focus for fundraising this year was getting the playgrounds back up and running and we are very proud to be able to give \$25,000 to this awesome cause! A huge thank you goes out to all those who have donated their time and talents to making 2019 a great success!

## Who, What & Why

Parent Teacher Associations have been quietly helping the school community for at least 100 years in New Zealand! It is an association of parents and family based in the school, whose aim is to bring into closer relationship the home and the school for the benefit of the children. We also form a link between the school and the wider community. In many schools, the class sizes are increasing as budgets decrease; our school's PTA, can provide some help through fundraising, as well as providing fun events for the children and adults alike!

This year we have had great fun getting to know each other better at the PTA meetings, where we have discussed our ideas and have strategised for our upcoming events. It has been wonderful seeing many familiar faces and meeting some new ones during events such as the disco and lunch days.

But now it's the chance for a new team: we are in need of a new Chair, Secretary and Treasurer for 2020 to set the agenda and make the PTA magic happen!

Please contact the school if you are interested in fulfilling these roles or if you have any other questions.

Thanks for a great year,

*Your 2019 PTA Team*
