Inquiry/Creativity focus: NZ HISTORY - do a little bit each day.
 Living Through History - We are living through a global pandemic that others in the future could end up learning about at their school!

Make a time capsule of things to remember your time in lockdown. Include this week's writing on the topic, and whatever else you think of. Draw a picture or include a photo of things you have been doing in Lockdown. Make sure whatever you use as a time capsule is waterproof or wrapped up well. Bury it somewhere in your backyard. Make a treasure map showing where your time capsule is buried. Make sure you include your house, shed, garage, plants, trees so there is plenty of detail. If you don't have a yard, store it somewhere safe in your house, then make a map of your house showing where it is. Keep the map somewhere safe. Find and open the time capsule again in a year.

Task to be completed each week and children to share on Seesaw **each Friday by 3pm**
