Inquiry/Creativity Focus: The Arts in Action

Driving questions to consider this week:

What are the four arts? What are the purposes of the four arts?

Here are some activities you could try this week: research two of the arts and make a poster for each. Try to include the elements of each of the arts, and what you think the purpose of each is. Try out each of the arts - draw or paint a picture, sing a song or play an instrument, make up a dance or dance along to one, play charades or make up a play. Take a video or photo of part of your work and share it to Seesaw.

You could use the following videos and resources to support you:
