## **Inquiry focus: *The Arts in Action!***

This term we will be focussing on the Arts; Visual Art, Drama, Dance and Music. For those learning from home we will share a few ideas each week that are aligned with the tasks we are completing at school.

### **Visual Art**

Rainbows represent happiness after a tough time, which is perfect for our current situation. Create a piece of art inspired by a rainbow.

### **Music**

Learn the Te Reo song [Te Aroha](#). Practice the song and learn what the lyrics mean. It is a meaningful song about love and togetherness.

[This version](#) is slower than how we sing it, but if you would like to learn the sign language to go along with it, then you can watch it for that!
