A WORD FROM OUR PRINCIPAL

Dear Parents and Caregivers

What a wonderful day of celebration we have had today. The Year 1-4 children have been showcasing their talents after a term of focusing on the arts. The breadth of talent in our young people is amazing. Thank you for giving us such talented, confident young people to work alongside. It has been wonderful today to have so many adults sharing in the successes. As you will all know, our children are tired; so focusing on our PB4L Values has been really important for us to help navigate this last part of our Term 2 journey.

We are continuing to work with Richies Bus Company on a plan to move forward; it has certainly not always been a smooth operation. One of our big concerns is the loading on the afternoon run. They have agreed to re-look at things from their end. They have asked us however to reinforce to our children that they too have a responsibility towards ensuring a safe and pleasant trip home. If your child is on the bus, could you please reinforce our bus expectations with them. I have attached these for you on the next page.

We are currently receiving modems from the Ministry of Education for some of our families whom they deem, through their data, not to have connectivity. My PA, Sarah Jane will contact you directly if we receive one on your behalf.

Once again thank you all for keeping our school as well as can be expected at this time of the year. We have continued to have a lot of both staff and student absences.

We will be hosting Student Led Conferences on Thursday 6th August rather than the more formal Parent Interviews. It will be an opportunity for our children to share with their family members their learning and showcase their classrooms. Whilst the teacher will be in the room, they won't be available for a more in-depth, one-on-one conversation at this time. If you would like to organise a more in-depth meeting, you are welcome to make an appointment with your child's teacher to discuss any specific concerns. Last year 85% of our families attended our Student Led Conferences, so we hope we can increase the percentage for 2020. Should you be unavailable to attend in person on this date, we are happy to arrange a Zoom conference at a convenient time.

As always, my door is always open.

*Ko te ahurei o te tamaiti arahia o tatou mahi.
Let the uniqueness of the child guide our work.*

Kind regards,
Raewyn Matthys-Morris
Principal

CROSS COUNTRY MONDAY 22 JUNE 2020

Whenuapai School held its annual school Cross Country event on Monday 22nd June, Term 2, 2020. The weather was ideal with conditions perfect for fast race times. The spirit, give it a go attitude and students times showed their commitment and perseverance to complete the course and the students are to be commended on how they responded and performed. With students training prior to the race many of the students have consolidated a good base fitness that allowed them to meet the challenge and complete the course while performing to a very high standard. Special mention should be made of Whenuapai teachers that performed their duties admirably, training students prior to the event and also the special mention of the support students gave to other participants during the racing. Thanks also to all parents and grandparents that attended and supported during the races plus special thanks to student marshals for their support of the event.

The top 8 student places at each year level is included below in the results. The top 8 students in each year level for **year 5-8** qualify for Norwest Cross Country which is being held on Tuesday 25th August 2020 at Muriwai Beach followed by Auckland Interzone Cross country on Tuesday 1st September if students qualify. All students at year 5-8 that are coloured in **red** qualify for Norwest Cross Country however only the students in **blue** have requested to attend. These student qualifiers in blue have been asked individually if they want to attend and a permission letter will go home to these students detailing the event of which we require to be returned by the due date so transport and teams can be finalised. If your son or daughter has no intention of competing at Norwest Cross Country after talking with their parents can the permission slip still be returned as soon as possible.

Thanks again to all student competitors, staff and our parent community for celebrating our annual Whenuapai Cross Country. You all made it an enjoyable experience and challenging for our students and gave them an insight into their capabilities, talents and performance levels in a fun and supportive way. Many of our students lived up to and demonstrated our Whenuapai school sports motto and this is a credit to them all and what they achieved at the Whenuapai School 2020 Cross Country Event.

As a School, we have become more and more aware that some children and families in our community are in need. For this reason we are setting up "The Hunger Buster Project" where we encourage families who are in a position to help, to be able to. This could be by way of a monetary donation or it might be dropping off some of the following items which we can use to keep our beautiful children well fed, especially as the colder months are fast approaching. At this stage we would be asking for food donations of the following items:

- Fruit**
- Weetbix**
- Margarine**
- Bread**
- Jam**
- Milo**

All of these items will help us to make sure hungry tummies are full which encourages a much more productive learning day for them.

Alternatively, if you would like to contribute financially, we have set up a separate bank account for us to purchase such items.

[ASB 12-3085-0494188-50](https://www.asb.govt.nz/12-3085-0494188-50)

We thank you so much for any support, little or large. Every bit helps and we know as a community there will be many of you who will want to help in any way they can. Your generosity is so much appreciated.

WHENUAPAI PRIMARY IS NOW AN ENVIRO SCHOOL

As part of this exciting new journey that has a focus on sustainability, we are wanting to encourage kids to have nude lunchboxes – what this means, is no packing or wrappers. There is an amazing website you can visit to get some ideas. Head to www.familytimes.co.nz to find out more.

Here are just some of the ideas they suggest:

- Use beeswax wraps to keep sandwiches fresh.
- Use small, reusable containers for yoghurt from a larger pottle.
- Keep vege and fruit pieces fresh in sealed reusable containers.
- If you just want a lunchbox, and no other containers or bags, find a lunchbox that has at least three dividers: one for roll/sammies, one for veges and fruit, and one for snacks.

And the ultimate saviour from all the packaging waste – use a Bento Lunchbox. These have several compartments to keep everything in order and your kids happy.

Teen Brain

Thurs 3 Sept 2020 : 7:30pm - 9:00pm
Kaipara College - Helensville/Auckland

Helensville Primary and Kaipara College are proud to announce that the host of the documentary "All in the Mind", and co-host of the TV Series "The Secret Life of Girls", Nathan Wallis, Aotearoa's renowned neuroscience educator, is coming to our community with his talk - Teen Brain.

There are 6000-year-old hieroglyphics carved into the pyramids depicting the teenagers of the time as being self-obsessed, defiant and unmotivated – that's sounding pretty familiar don't you think?

During adolescence, part of your teenage brain "shuts for renovations". This is the part of the brain responsible for controlling your teenager's moods, for understanding consequences and for thinking about the well-being of others. So whilst you can't expect teens to be able to display these behaviours consistently during adolescence, there are ways that you can enhance and maximise the times when they can. Understanding the changes that are taking place for your teen will help you to navigate successfully these important and formative years.

WHAT ARE ETHOS ACADEMY SCHOOL PROGRAMMES?

Ethos is the brainchild of two PE teachers, Peter and Jamie. They saw a gap in New Zealand's current offering of school holiday programmes. So, they decided to create one.

Their teaching experience taught them that sports and games are incredibly important for kids as they learn to navigate the real world.

Simply put, Ethos Academy school holiday programs are a fun way to entertain and educate your kids during the school holidays.

We take sports and combine them with values to ensure kids are not only having a blast, but learning how to navigate the world in a positive way.
