A WORD FROM OUR PRINCIPAL

Dear Parents and Caregivers

A very warm welcome to all our families who have begun the Term with us. It was wonderful to formally welcome our Term 2 and Term 3 new students and their families into our school last Tuesday with a Powhiri.

A very big thank you to our wonderful families who worked on our gardens over the break, what a huge difference they have made.

Our refurbishment programme continues. The builders are currently working on Rooms 17 and 18 and when they have finished there they will start on the refurbishment of the Senior classrooms. The refurbished classrooms look fantastic!

Next Term we will be opening Room 19 to cater for our new entrant enrolments. On that note, I am delighted to welcome Nathan Atherton to Whenuapai School. Nathan will be teaching alongside Mrs Jenny Cornish for this Term in Room 18 and will then open Room 19 in Term 4.

It's wonderful that Norwest sport is back up and running. This week the Year 5/6 children are out at Hockey.

Please note: We had scheduled a Teacher Only Day under the NZEI Teachers Collective Agreement for August 28th. I am aware however that some families may know about this through their Teams Week Ahead but others won't. This Teacher Only Day will **not** go ahead as I was remiss in not communicating this last Term to the whole community. My sincere apologies for any inconvenience and confusion this may have caused. Please note the Teacher Only Day is now **Tuesday 27th October** following Labour Weekend.

Thank you for the very many ways you continue to support us as we navigate a new normal in New Zealand. To all of our families, our doors are always open. We look forward to seeing you at Student Led Conferences on Thursday 6th August. Please book a time online. The children are so looking forward to sharing their learning with their families.

*Ko te ahurei o te tamaiti arahia o tatou mahi.
Let the uniqueness of the child guide our work.*

*He iti hau marangai E tū te pāhokahoka
After the storm, the rainbow appears*

Kind regards,
Raewyn Matthys-Morris
Principal

114 BUS CHANGES

Auckland Transport (AT) is planning to remove the 114 bus service from Herald Island. AT would like to hear from the effected Herald Island families, and from the staff and wider Whenuapai School community regarding this change. Anyone with feedback or questions for AT regarding this change is invited to email BusReview@AT.govt.nz by Monday 17 August 2020. The change would reduce the bus journey time between Whenuapai and Hobsonville, providing a better experience for people travelling between these suburbs. The 114 bus service will be removed from Herald Island from January 2021. From this time, Herald Island will no longer be served by AT public bus services. Maps of the existing and future routes for the 114 are provided below. AT are not making any changes to any other section of the route.

SPORT

BASKETBALL

The last Thursday night before end of last term found our Under13's Whenuapai Slammers basketball team vying for a place in the finals at the YMCA Massey. Rick, Dantaye, Caesar, Bowen, Caleb, Josh and Aston as always united and threw in a very solid effort playing in their semi-finals, a hard fought and very physical game, proof of which resulting in Josh fracturing a finger, the team walked away with a win, 25-18.

Next, finals against Waitakere Wizards. We had faced this team already, knew they were as hungry as we were. Game time! Our boys hit that Court with only one sub, the opposition had double our numbers, and they sure had to rely on their bench throughout the whole game. Our boys led following the first half 10-8, the low scores reflecting such strong defence from both sides. This was going to be a close fight. Our boys once again played as a tight unit, break aways, superb passing, committed defence play and smart attack meant that we hit the final buzzer 22-22. Extra time, we'd been here before, finals of last year found us in the same position. The kids once again created edge of our seat play, spectators (family and teachers) watched through half closed eyes, holding our breaths, witnessing fouls, then free throws, some missed shots, then some amazing sunk baskets following patient and mature team plays. These young men have built this legacy of being known for continually throwing their bodies on the line, they did just that once again, right down to the wire and regrettably lost in the end 26-24. Top scorers for the night Caesar and Caleb. Hard fought, bitter pill for the kids to swallow but true to form they handled themselves superbly, congratulating the other team showing great sportsmanship. Great ambassadors for Whenuapai School. A shout out to the family and teacher support again for Season One, a huge thank you to the Coach Dillon Dunbar and Manager Shona Christie. Sal's Westgate, thanks to Nancy (Manager), our boys having won at least their semi that night were treated to free sponsorship pizza, a superb moral booster following a finals defeat, we thank you! Roll on Season Two, go get em!

Dear Parents,

Playing chess in school helps students achieve many learning outcomes faster and more effectively. Put simply, chess makes kids smarter.

Chess enables all students to shine and develop intellectually in a way they really enjoy. Playing chess develops self-confidence, concentration and problem-solving skills.

We are pleased to continue the Chess Coaching Programme at our school and look forward to bringing the excitement, competition and educational benefits of chess to your children.

www.chesspower.co.nz

Chess Power has been educating Chess in many schools in Auckland and across New Zealand. Our coaches are all professionally trained and accredited and our support systems are world class.

What happens in a Chess Power Coaching Programme?

- Grow Kids Minds™ !!
- Improve concentration and focus
- Develop important life skills – fair play and decision making
- Tactical & Strategic thinking
- Prepare for Chess Tournaments against other schools
- Develop a love of chess, of learning and of thinking
- Play Chess Online safely and for free

Each session starts with a formal lesson; all players will learn a new strategy, idea or skill each week. Then they put those skills into practice with activities and games. All games are monitored and supervised by the coach who provides individual feedback along the way.

Throughout the programme, we reward kids that do well and encourage and support kids that are struggling. At completion of the programme we recognise each child with a certificate based on their performance.

Q: Where can I learn more?

A: Visit our website, www.chesspower.co.nz and click Parents Centre

CLASS DETAILS

Sessions will be held on **Fridays** from 9:45 am to 10:45 am in the Library starting **Friday 24 July 2020** The last session will be held on 25 September 2020. The fee is \$120 for the term.

COMMUNITY NEWS

Hi Everyone

Next Sunday 26th July is our final planting afternoon at Waimarie Beach Reserve, Whenuapai Village for this year. We have a great lot of plants to put in the ground - check out the events of the Living Whenuapai Facebook page and pass on to your networks.

We love having kids come along - our future conservationists in the making! This little reserve is looking rather stunning after 3 - 4 years of work and in time the birds will appreciate it too.

Bring spades and a wheelbarrow if you have one.

Sunday 26th July 2- 4 pm

See you there. From The Team

WORKING BEE

A massive thank you to all the families and students who turned up in the school holidays for our working bee. We managed to get all the garden beds weeded and filled with new fresh soil ready for a busy planting season. Thank you to Bark and Soil Growing media for their generous donation of top quality growing soil <https://www.barkandsoilgrowingmedia.co.nz>. This term our students are learning all about healthy bodies and healthy minds. We will be able to use these fresh garden beds to grow lots of healthy fruit and vegetables. You will also notice the new Fruit Forest near the hall, we have planted feijoas and citrus trees for everyone to enjoy year round. Thank you again to our community for all your support and we look forward to another working bee in the near future!

As a School, we have become more and more aware that some children and families in our community are in need. For this reason we are setting up "The Hunger Buster Project" where we encourage families who are in a position to help, to be able to. This could be by way of a monetary donation or it might be dropping off some of the following items which we can use to keep our beautiful children well fed, especially as the colder months are fast approaching. At this stage we would be asking for food donations of the following items:

- Fruit**
- Muesli Bars**
- Cup a Soups**
- Margarine**
- Bread**
- Milo**

All of these items will help us to make sure hungry tummies are full which encourages a much more productive learning day for them.

Alternatively, if you would like to contribute financially, we have set up a separate bank account for us to purchase such items.

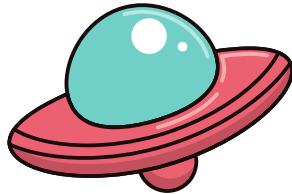

[ASB 12-3085-0494188-50](https://www.asb.govt.nz/12-3085-0494188-50)

We thank you so much for any support, little or large. Every bit helps and we know as a community there will be many of you who will want to help in any way they can. Your generosity is so much appreciated.

WHENUAPAI PRIMARY IS NOW AN ENVIRO SCHOOL

As part of this exciting new journey that has a focus on sustainability, we are wanting to encourage kids to have nude lunchboxes – what this means, is no packing or wrappers. There is an amazing website you can visit to get some ideas. Head to www.familytimes.co.nz to find out more.

Here are just some of the ideas they suggest:

- Use beeswax wraps to keep sandwiches fresh.
- Use small, reusable containers for yoghurt from a larger pottle.
- Keep vege and fruit pieces fresh in sealed reusable containers.
- If you just want a lunchbox, and no other containers or bags, find a lunchbox that has at least three dividers: one for roll/sammies, one for veges and fruit, and one for snacks.

And the ultimate saviour from all the packaging waste – use a Bento Lunchbox. These have several compartments to keep everything in order and your kids happy.

Request to schools to place in their school newsletters/communications:

Kia ora,

During COVID-19 Alert Level 2, the Children's Community Dental Service has reopened some of its clinics for children with urgent dental care needs.

We will be in contact with you if your child requires an urgent appointment.

Alternatively, if your child is in pain, or you have immediate concerns about their teeth, please phone 0600 TALK TEETH to speak with one of our therapists.

We are not able to offer routine appointments just yet, but we will let you know as soon as this changes.

This means that your child's routine appointment may be delayed.

For more information, search for 'ARDS' on the Waitemata DHB website.

Thank you for your understanding and support during this time.

Teen Brain

Thurs 3 Sept 2020 : 7:30pm - 9:00pm
 Kaipara College - Helensville/Auckland

Helensville Primary and Kaipara College are proud to announce that the host of the documentary "All in the Mind", and co-host of the TV Series "The Secret Life of Girls", Nathan Wallis, Aotearoa's renowned neuroscience educator, is coming to our community with his talk - Teen Brains.

There are 6000-year-old hieroglyphics carved into the pyramids depicting the teenagers of the time as being self-obsessed, defiant and unmotivated - that's sounding pretty familiar don't you think?

During adolescence, part of your teenage brain 'shuts' for renovations! This is the part of the brain responsible for controlling your teenager's moods, for understanding consequences and for thinking about the well-being of others. So whilst you can't expect teens to be able to display those behaviours consistently during adolescence, there are ways that you can enhance and maximise the times when they can. Understanding the changes that are taking place for your teen will help you to navigate successfully these important and formative years.
