In 2021, we will be continuing to use the PR1ME programme as the basis of Mathematics teaching and learning in Years 4-8. This programme is well structured and incorporates the best practices used by top-performing countries in international studies. We have also made this decision in line with consistent feedback from our community. If you have further questions these can be discussed at our parent teacher meetings.

* **Payment of \$17.00 for PR1ME Maths student practice books** - compulsory for Years 4-8. To be paid online through Kindo at www.mykindo.co.nz or at the School Office.

Optional items:

1	Personal Learning Device - we recommend a Chromebook
