

Dear Parents/Caregivers

Whenuapai School has five areas that encompass its sport programme. Each area offers a student the opportunity to participate, compete and celebrate their sporting experiences, talents and skills leading to personal development, achievement and success in their chosen sport.

These five areas are:

- **Norwest and Interzone Sports events**
- **Long term Major sports**
- **Special Sporting Events**
- **Community Partnerships**
- **Whenuapai School Sporting Events**

One area of our sport programme is our long term major sports where the emphasis is on students representing the school as part of a team competing in a local competition across a period of weeks, a term or a major part of the year. The long term major sports offered in 2021 are:

<b>Basketball</b>	<b>Waterpolo</b>	<b>Netball</b>	<b>Hockey</b>
<b>Touch</b>	<b>Summer Football</b>	<b>Rippa Rugby</b>	

Below is general information related to each sport. Could you please read carefully and then note the sport or sports that you would like your son or daughter to represent the school. Please select carefully as the information you provide will be used to finalise the makeup of players, teams, coaches and managers prior to competition start for each sport.

Please Note:

1. Teams that are entered will be based on availability of coaches and managers acting as support to our school teams
2. Websites for further information are detailed above each sport
3. Individual student payment will be required after teams have been finalised
4. Please complete the Enrolmy online registration and agree to the terms and conditions if your son/daughter wishes to participate by **Wednesday February 10th 3.00pm.**

Special Considerations:

1. **Important - Please do not enter your son/daughter in a sport if they have no intention of meeting the requirements of training or competition days as any withdrawals from teams affects the planning, makeup of teams, organisation and ultimately the entry of any team in a specific competition.**
2. **Secondly, parents that forget or do not enter their child in their chosen sport cannot enter after the cut off date as the program Enrolmy does not accept late enrolments and manually performing the input of data for an individual student is a major time consideration. Any additions of individual students to teams will be at the discretion of the Head of Sport after the cut off date for Enrolmy.**

Any questions please email: [gregb@whenuapai.school.nz](mailto:gregb@whenuapai.school.nz)
