

ONLINE LEARNING ROOM 4

Monday - Wednesday

Sadly, we won't have school this week until Thursday. Until then I have arranged a few activities for you to do over the upcoming week.

If there is a specific topic you would like to work on that does not appear on the choice board, send me an email and I am more than happy to provide an activity for you.

I would like you to choose at least 2 of these activities to do a day. You can email or send me a picture of your work if you would like, I would love to see how you are going! If there is anything you need help with please email me at judies@whenuapai.school.nz.

A Letter to My Future Self

Ideas to Consider:

- What is your beginning-of-year advice to yourself?
- What is important to you?
- What are your goals this year - personal and academic?
- What do you want to be proud of?
- What new challenges would you like to take on?
- What leadership opportunities may be available for you to pursue?
- How do you want to show that you are a thinker?
- What do you want to remind yourself about?
- How do you want to show that you're a person who contributes to school life and participates fully?
- How will you show you are someone who works well with others and you are able to manage yourself and your learning effectively?
- Who is going to be important in your learning journey this year?
- If this is your final year here at school, what would you most like to be remembered for? How do you want to make your mark on the school?
- What will make this year great for you?
