If there is a specific topic you would like to work on that does not appear on the choice board or you would like to improve on, send me an email and I am more than happy to provide an activity for you.

I would like you to choose at least 2 of these activities to do a day. Email or send me a picture of your work so I can keep track of what you are doing. If there is anything you need help with please email me at kennaa@whenuapai.school.nz
