- Create a board game navigating a hazardous neighbourhood. Be creative! (e.g. move forward 4 spaces if you land on a square that says you made a good safety choice like "Looked both ways" or "used a pedestrian crossing" or move back 4 spaces if you land on a square that says you didn't make a great choice like "crossed on a red walking man" or "biked without a helmet".)

Water/beach safety: Draw a picture of the beach/pool and circle all the possible hazards, add ways to keep safe.
