POSITIVE BEHAVIOUR  
FOR LEARNING

### OUR SCHOOL VALUES

 Respect Self

 Respect Others

 Respect Learning

 Respect Environment

Tēnā koutou and welcome to Term 3,

From listening around the kura, last week, it sounds like most tamariki and their whānau had an enjoyable school holiday break. But in saying that lots of people were excited to be back at school, myself included. My school break, well ..... COVID decided to infect me during the first weekend of the holidays and I seem to have got a strong dose which kept me housebound for the majority of the two weeks. Even though I was stuck in the house I still got to spend some quality time with my family during the second week.

**School Board Elections** - We are in the process of electing our School Board. Parent nominations close tomorrow, Wednesday 3rd August at midday. Our board elections are held every three years.

The board's role is to oversee the governance of the school. School boards' primary objectives are determined by the Education and Training Act 2020, to ensure:

- every student at the school can reach their highest possible standard in educational achievement,
- the school is a physically and emotionally safe place for all students and staff,
- the school is inclusive of students of differing needs; and that,
- the school gives effect to Te Tiriti o Waitangi.

To nominate yourself or another member of the community please go to <https://myschoolelection.nz/mynomination>. If you would like further information on the School Board please come in for a chat.

**Term 3** – As we start another term, I would like to wish a very warm welcome to our new tauira (students) and their whānau who joined us last week. I sincerely hope that you have enjoyed the start of your schooling journey at Whenuapai School.

This term our learning whakatauki is:

Mā te kimi ka kite,  
Mā te kite ka mōhio,  
Mā te mohio ka mārāma.

Seek and discover.

Discover and know.

Know and become enlightened.

Discovering the wonder and mysteries of the world and beyond.

To launch this inquiry, we had Nano Girl / Tornado Tammy come and present to the school. She enthralled our tamariki with scientific experiments, explosions and explanations. It was the perfect introduction as we now start to explore and understand the world around us.

Our culminating plan for the term is to have the tamariki put on a show / performance. Further information will be shared as the term progresses.

Have a great week,

Adam Cels

# KAHU

TERM 3

This term, our Year 7 students have begun going to Taupaki School for technology which will continue every Tuesday for the rest of the year. Our Year 8 students have attended in terms 1 & 2. While at Taupaki, students cycle through Design Technologies, Hard Materials, and Food Technology.

I loved Tech! I enjoyed most of the subjects as we got to take away what we had made.  
-Jayden Year 8

I enjoyed planning my magnet and using the 3D printer.  
- Amber Year 7

My favourite was food tech, as we got to eat the delicious food and it was good learning.  
-Pyper Year 8

# INQUIRY

This term our inquiry focus is on exploring the wonders and mysteries of the world and beyond. We are currently in the Gear up where we are doing lots of engaging and hands on tasks.

# WILLIAM PIKE CHALLENGE

## COMMUNITY SERVICE

Within the Kahu team, students are working towards completing the William Pike Challenge. This requires students to do 20 hours of community service over the entire year. Here are some photos of our students working towards this goal.

# Why we think NOOD FOOD is best!

Last year our Enviro-Heroes conducted a waste audit to find out what our school was putting in the school rubbish bins. We found out that over half of the rubbish was food wrappers. Our tamariki/children then did some investigating....

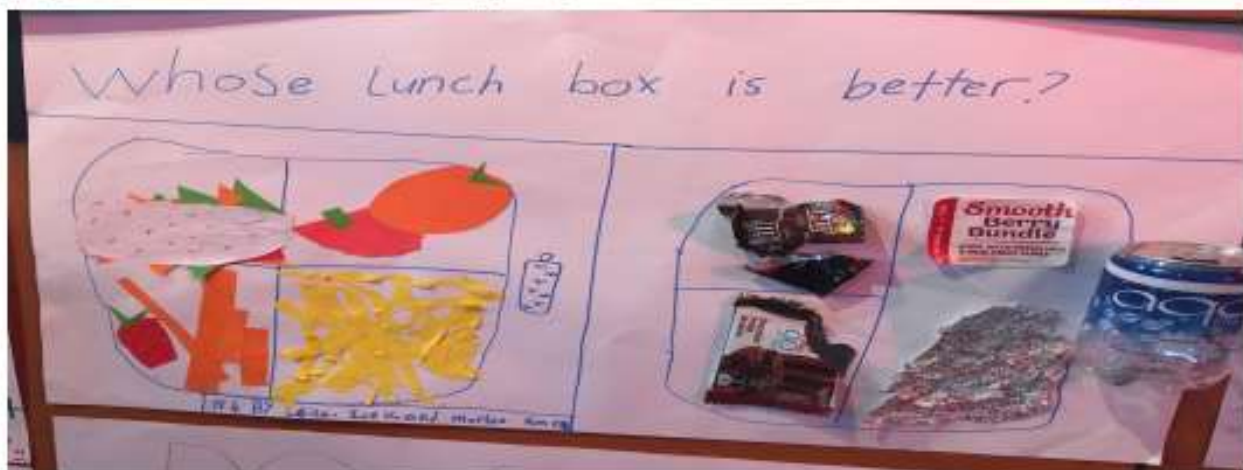

Did you know that Whenuapai school spends over \$5,000 every year getting our rubbish picked up to be dumped into landfills? We would like to reduce this, not only saving precious money for our school but also helping to take better care of the environment. **So please can each whānau/family make sure your tamariki/child/ren has no food wrappers in their lunchboxes and help us save money!**

Km 23 Lunchbox Investigation	Pieces of Rubbish
Student 1 =	2
Student 2 =	7
Student 3 =	2
Student 4 =	4
Student 5 =	6
21	

*Note: We counted the pieces of rubbish in 3 of our students' lunch boxes and did this to find the average pieces of rubbish.*  
 $21 \div 5 = 4 \text{ pieces / lunchbox}$

Km 23 Maths Investigation	Whenuapai School Lunchboxes
✘ Students at our school =	500
✘ Weeks a year at school =	40
✘ Lunch boxes we bring to school a week =	2,500
✘ Days a year at school =	200
✘ Lunch boxes we bring to school a year =	100,000
✘ Average Rubbish items per lunchbox =	4
We bring 400,000 pieces of rubbish to school every year!	

# SPORT

## Norwest Boys and Girls Year 5/6 Hockey

The Whenuapai boys and girls year 5 & 6 Hockey team were represented at the Norwest Hockey tournament on Wednesday 6<sup>th</sup> July 2022 (Term 2) at North Harbour International hockey stadium in Rosedale on the North Shore. The boys team were coached by Kerryn Kilkenny and managed by Louise Roff.

The team went well, although we had some tough games. Some of the schools have quite good teams in higher grades than us. In saying that, the team started to come together quite well and seemed to enjoy having a bit more space on half a field instead of the usual quarter field on Monday nights. We started to get some good passing moves come together, one in particular that lead to one of our goals. The team defended very well and most of them have become pretty mean tacklers. We need to work more on our team passing game and attacking strategies.

A couple of the new or younger team members are starting to shine, in particular Coban and Reign who both played really well all day and have definitely found their groove. The last two games were pretty hard and everyone had become a bit tired by then but I believe these two teams came first and second overall. In the last game we came back in the second half to get two goals back against Huapai after initially going down by a few, which I thought showed great team spirit. The other 3 games were very close.

The kids were all really well behaved and we were down on the far end of turf 4 all day so managed to keep out of the chaos around the clubrooms, which helped to keep them all together easily. They seemed to enjoy the day.

The school would like to thank the coach Kerryn Kilkenny and Manager Louise Roff and the parents that supported with transport and supervision. To the players – we hope you enjoyed the day and had fun. **Coach** - Kerryn Kilkenny.

## CELEBRATING OUR STUDENTS DOING GREAT THINGS!

Kayden and Eli Honeycombe are members of The Combat Centre (TCC) and both train in boxing and Jiu Jitsu. They have been members for almost 2 years. They both hold bands and belts that represent their progress in each sport.

**Well done boys!!!**

## Important Reminder

**Please use the designated School Crossing**

Student safety is our top priority and a big part of keeping our students safe is that we require all students and their whānau to use the designated school crossing when arriving and leaving school.

Airport Road is extremely busy and often has limited visibility for drivers. The crossing is there for a reason.

It is extremely important for us to teach our tamariki road safety and that parents support us with this.

Thank you!

## A change of clothes required please ...

In the wet winter months, we see a large increase in students needing a spare change of clothes during the day due to sports, puddles & mud play areas.

As we have a very limited supply of spare uniform items it would appreciate it, if children could come to school with a change of clothes in their bags.

Thank you for the support!

ГОВОРИМ КИШЕ МИНДА

**COACHING PROGRAMME**

Dear Parents,

Playing chess in school helps students achieve many learning outcomes faster and more effectively. Put simply, chess makes kids smarter. Chess enables all students to shine and develop intellectually in a way they really enjoy. Playing chess develops self-confidence, concentration and problem-solving skills.

**Put simply, chess makes kids smarter.**

We are pleased to continue the Chess Coaching Programme at our school and look forward to bringing the excitement, competition and educational benefits of chess to your children.

Chess Power has been educating Chess in many schools in Auckland and across New Zealand. Our coaches are all professionally trained and accredited and our support systems are world class.

**WHAT HAPPENS IN A CHESS POWER COACHING PROGRAMME?**

- Grow Kids Minds™
- Improve concentration and focus
- Develop important life skills – fair play and decision making
- Develop Tactical & Strategic thinking
- Prepare for Chess Tournaments against other schools
- Develop a love of chess, of learning and of thinking
- Play Chess Online safely and for free

Each session starts with a formal lesson: all players will learn a new strategy, idea or skill each week. Then they put those skills into practice with activities and games. All games are monitored and supervised by the coach who provides individual feedback along the way.

Throughout the programme, we reward kids that do well and encourage and support kids that are struggling. At completion of the programme we recognise each child with a certificate based on their performance.

**CLASS DETAILS** Sessions will be held weekly on Wednesdays during school from 9:55am to 10:55am in the Library starting Wednesday 27 July 2022. The last session will be held on Wednesday 28 September 2022. This is an 10-week program. The fee is \$17.00 for the term per student.

**REGISTRATION** If you child would like to be part of this for Term 3, please visit our website: [www.chesspower.co.nz/class-registration](http://www.chesspower.co.nz/class-registration)

It is easy to register. Just choose your school and fill out the online form. A payment link will be available to you on the form.
