Tēnā koutou,

The term is really starting to fly by now.

Last week we held the auditions for the lead roles in our School Production. It was wonderful to see so many tamariki step outside their comfort zone and take up the challenge. Thank you to everyone who auditioned and congratulations to the students who have been awarded the lead character roles.

The production is based on the Magic School Bus books and the script has been written by Miss Olivia Mead and Mr Chris Groen. A quick synopsis of the storyline, our lead characters are traveling around the world learning and growing as they explore each continent. All of our classes are involved in the show and their performances are linked to the cultures and continents of the world.

This term we have already had a number of North West interschool sporting competitions. Tamariki have taken part in Tough Guy and Girl Mud Run, Rippa Rugby and Netball, with more still to come. I had the privilege of spending some time on the edge of the rugby field as our tamariki took part in the Rippa Rugby competition. Whilst our teams played some skilful games, what I was most impressed with is the way our children conducted themselves on and off the field. They upheld the school values and represented our school in a positive manner. I have heard similar reports from the kaiako who lead the other sporting events. Congratulations to all the tamariki who represent our kura, you are to be commended for your sportsmanship and social conduct.

**Board Elections:** We received 11 parent nominations. Thank you to everyone who has put their hand up to be part of our School Board.

It is now up to the parent community to vote for your preferred candidates. Voting papers, along with information on the candidates, have been posted to the physical addresses we have on file for all parents who are eligible to vote.

You can post your vote in the free post envelope provided or a ballot box is also available at the school reception during normal office hours. Voting closes on 07 September 2022.

Following this date, votes will be counted and a declaration of results will be made on Tuesday, 13 September 2022. The new School Board will take office on Wednesday, 14 September 2022.

Thank you for your participation in this important process.

**Trig Road School:** The current Board will make a final decision on whether or not to operate the second campus at Trig Road at this Wednesday's Board meeting. After the decision is made, we will finally be in a position to start sharing information on our future Year 7 and 8 learning programmes and opportunities.

Please keep an eye on HERO posts for this information and community presentation dates. We have some exciting things planned and look forward to sharing it with you in the near future.

Thank you for your continued support.

Have a fabulous week.

# Kea

Our inquiry focus in term 3 is on exploring the wonders and mysteries of the world and beyond. We are currently in the Navigate phase where we are learning about the natural wonders of the world. This week, we had our Inquiry rotation between the Year 0/1 classes. This means each classroom teacher teaches us about a continent of the world, and a natural resource of that continent. The children have passports and get to "travel" to 5 different continents!

Making observations of coal in North America

Making mini clay pots in Asia

Learning how rivers are formed in South America

Gold panning in Oceania

Making crystals in Africa

It's flowing from the top of the mountain!

These are soft and warm.

Is this worth a lot of money?

When you use it on the ground it makes marks.

## North Harbour Harcourts and Co Rippa Rugby – Massey Rugby Club

The second Rippa Rugby competition for students in Years 3-6, was held on Tuesday, 2 August 2022 at Moire Park. The weather was ideal and made for a great day for all. The students are to be commended on their competitive spirit and their improvement across the day both in teamwork, cooperation and playing performance. It was clearly evident that the practices that have been incorporated into the programme have given the students a foundation to build on. Their understanding and ability to read the game with improved skill application has put the teams in a more competitive position. Students genuinely enjoyed the day to the point where their dance moves in front of the organisers caravan were as skilled as their play on the field.

Thank you to our team leaders, Alana Hawes, Kerryn and Matt Kilkenny and Waveney Bryant and all other supporting parents. The school appreciates your support and acknowledges the value you have given each of our students and teams in your roles. Lastly a big cheers and thankyou to all the students. You were all great ambassadors for our School. You made it a great day!

## Whenuapai School Tough Guy and Girls 2022

Whenuapai School students are really tough guys and girls!! Over seventy-five students attended the tough guy and girl challenge on Wednesday 3 August 2022 at Kumeu Showgrounds, in what were very muddy and slippery conditions. Students left school at 8.30am travelling by bus to Kumeu and were anxious to compete against the other 1100 students from other schools to see who could be the fastest or muddiest across the challenging courses. The students ran, walked and crawled across the grueling courses over distances of 1.5 – 3km. There were those students who came in quickly but the majority of students experienced the joy of being caked in mud. There were a few lost shoes and the odd bump and bruise but all students overcame every obstacle and completed the courses which they can be very proud of. Students ended the day with a hot shower, food and drinks and the medal presentation. Whenuapai School would like to thank the supporters and group of parents that helped out and made the day run smoothly. We appreciate your support of the students and we hope you all enjoyed the day. Lastly thanks to the students. You were great ambassadors for the school and were a pleasure to take to the event. You were very muddy though!!!

## Norwest Netball Boys and Girls Year 7 & 8

Well done to all the Year 7 & 8 Netball players who represented our school last week at the Norwest Netball Tournament at the Te Pai courts in Henderson. There was some fierce competition among the West Auckland schools and our teams did really well to come away with our share of some wins, draws and losses. Our students played really well together and demonstrated excellent sportspersonship throughout the day. A huge shout out to our wonderful parent volunteers: Tamara Hogg, Raelene Carmont and Stephanie Dunbar, and thank you also to Molly Fletcher and Sarah Bone as the staff in charge.

## BOOK FAIR 2022

We are excited to announce that the Whenuapai School Book Fair is taking place in the library from the afternoon of Monday 29th August to Friday 2nd Sept.

Take the opportunity to see a wide range of beautiful books at great prices.

Other events in this week announced soon! 😊

## PĀTAKA KAI

This term in the Year 2-6 Kaitiakitanga lessons, our students have been learning about our very own Pātaka Kai. A Pātaka Kai (which means storehouse or pantry in te reo Māori), is a place where you can leave food and other donated items (clothing, books, etc) to share with people in the community, who can take what they need for free. As awesome kaitiaki/conservationists, we know that it's better to reuse outgrown items instead of dumping them in the rubbish which will end up in landfills. So please feel free to take from and donate to our Pātaka Kai as and when you need. Thank you to the Year 7 & 8 students from 2020 for their generous initiative in designing our Pātaka Kai, Fletcher Homes for building it and Sera Terrazas for painting it. "Nau te rourou, naku te rourou, ka ora te manuhiri." (With your food basket and my food basket, the people will thrive).

### A change of clothes required please ...

In the wet winter months, we see a large increase in students needing a spare change of clothes during the day due to sports, puddles & mud play areas.

As we have a very limited supply of spare uniform items it would appreciate it, if children could come to school with a change of clothes in their bags.

Thank you  
for the support!

### CELEBRATING OUR STUDENTS

#### DOING GREAT THINGS!

Last term Hamish Brinkman volunteered to play cello in a special concert in the Waikato with Orchestras Central and Star Jam.

It was an amazing experience performing with the Star Jam team and included music by Santana, The Lion King, The Greatest Showman and Thunderbirds to name a few.

Well done, Hamish!!!

### Important Reminder - Please use the designated School Crossing

Student safety is our top priority and a big part of keeping our students safe is that we require all students and their whānau to use the designated school crossing when arriving and leaving school. Airport Road is extremely busy and often has limited visibility for drivers. The crossing is extremely important for us to teach our tamariki road safety and that parents support us with this. **Thank you!**
