## School Bus Code of Conduct

This code of conduct is between \_\_\_\_\_ (student's name),  
\_\_\_\_\_ (their caregiver), Ritchies Bus Co (bus operator), and Whenuapai School.

The caregiver and the student must ensure they have read and understood this document, which is to be adhered to for the safety of the bus driver and all students travelling on the school bus.

- When I am a seated passenger, I will remain in my seat for the whole journey.
- I will not eat on the bus or throw anything inside or out of the bus.
- If I am a standing passenger, I will stand quietly and not push or move around the bus.
- I will respect other students and their property at all times (this includes pushing, verbal or physical abuse, or any other behaviour that may distract the driver).
- I will respect the property of the bus operator at all times (eg. Refraining from standing on seats or vandalising the vehicle in any way).
- I will not engage in any behaviour that could put the driver or other students at risk.
- I will observe the requirements and instructions of the bus driver and the teacher/s responsible for bus duty at all times.
- I understand that any damage I cause to the bus will result in my caregiver being billed for the cost of repairs.

### **If I have a device with me it will remain in my bag and I will not use it whilst I am on the bus.**

The safety and comfort of everyone on the bus depends on a standard of behaviour and consideration for others that is expected in the classroom. We hope that caregivers will support the school in maintaining these standards of behaviour.

### **If this Code of Conduct Is Broken**

- The student will be placed on daily report for one week and the caregiver will be notified immediately
- If no improvement is evident after one week, an interview will be arranged between the student, caregiver(s), and the school.
- If there is still no improvement, travel on a school bus will be withdrawn and the caregiver will be required to find alternative transport to get the student to school.
- In extreme cases of misbehaviour the privilege of travelling on a school bus could be withdrawn immediately.

## SCHOOL VISION AND HEARING TESTING

Waitemata District Health Board provides free vision and hearing screening for children. This screening is carried out by Vision and Hearing Technicians who visit schools and provide Vision and Hearing clinics in various community locations.

### VISION TEST:

**Distance vision.** A letter matching (or letter identifying) test determines whether the child can see what is expected at 4 meters distance.

### HEARING TEST:

**Audiometry.** An audiometer is used to measure hearing. The child wears headphones, and drops a peg/bead into a basket every time a sound is heard.

**Tympanometry.** If the child does not seem to hear all the sounds with the audiometer test, tympanometry is used to show whether there may be 'glue ear' or some other blockage in the hearing system. A soft rubber cap seals the opening of the ear and a measurement is made of how well the ear drum reacts to sound and changes of air pressure.

**Parents/caregivers will be informed of all results (including any problems identified).**

If your child does not pass a vision or hearing screening test, you will receive a letter suggesting what to do, including recommended follow up.
